Dear Friends,

We are pleased to share our 2020-2021 annual report with you and our generous community of supporters. As we reflect on our 26th year, we are profoundly grateful for the continued commitment shown to our 250 Scholars, their families, and mission during the most unexpected period of REACH Prep's history due to the pandemic.

While our students experienced challenges and unforeseen circumstances navigating the changing tides over the last year, they persisted with resolve and resilience to ensure their academic and personal pathway to college success would not be derailed. Every step of the way, REACH Prep provided students with a full scope of programming that included robust preparation, multi-layered guidance, and enriching activities to surround them with the tools and experiences needed to excel, explore, grow, and thrive. Through academic or technology resources, customized instruction, workshops, virtual gatherings, or individualized attention, REACH Prep delivered on the promise of our 12-year continuum to each student and family.

In a year of obstacles, we found opportunities to enhance our services, and in a year of constraints, we focused on building our community with the goal of emerging from the pandemic stronger and more dynamic than ever. Our longstanding foundation built on high expectations, trust, and strategic and sustained efforts held firm and ultimately supported our students as they achieved educational outcomes over the last year that continued to far outpace those of young people from similar backgrounds. We remain exceptionally proud of our Scholars and the positive impact they continue to have in their schools and communities.

We would like to thank the Board of Directors for its leadership and stewardship, the Junior Council for its focus on capacity building, and the staff and faculty for their unyielding dedication. On behalf of REACH Prep, we extend our deep appreciation for the collective support and contributions from our friends, partners, and donors that have directly shaped our ability to extend life-changing opportunities to our exceptional students who are preparing, each day, to lead us into the future.

With gratitude,

Paul L. Triggiani
Chair of the Board of Directors

REACH Prep has been the steady and guiding hand behind some of the happiest moments and greatest achievements of my life so far. It has instilled in me the work ethic and tenacity needed to excel in my studies and activities. I credit REACH Prep for helping me build the confidence and courage it takes to fully embrace my own identity, to breach diversity barriers, and to recognize my background as a strength that drives me forward.

“Prep Academy gave me the confidence, perseverance, and inspiration I needed to pursue the STEM field as a young woman of color. Always there to support me no matter what, REACH Prep had a big impact on my passion for community service. I look to continue contributing to mentorship and education programs for young students from underrepresented and underserved communities in the future.”

“REACH Prep redefined what excellence meant to me. I came from a family where not a single person had received their high school diploma. REACH Prep instilled a level of confidence in me that allowed me to dream big and hold myself to a higher standard. The organization has served as both a catalyst and a support network in my life and I couldn't be more grateful for the ways in which they have helped me become the person I am today.”

“**M**y life has been greatly influenced by teachers. Without the encouragement from great teachers and the support of REACH Prep, I would not be where I am now. I am indebted to REACH Prep, for they have provided me with a solid academic foundation and emboldened an insatiable curiosity for knowledge. This fall, I am teaching my first class as a Fulbright English Teaching Assistant in Taiwan, and I hope to be half as passionate, kind, and patient as those who taught me.”

“**R**EACH Prep was one of many experiences that shaped my life in ways I couldn't have imagined. If it wasn't for REACH Prep, I would not have attended King where I was exposed to the possibility of attending universities like Duke, which I reframed as an attainable goal versus one that is reserved for folks who aren't where I'm from. It was at Duke that I began developing an interest in marketing. Now as a Senior Product Marketing Manager at the NBA, I appreciate more than ever the role REACH Prep played in starting me on that path.”
