

**ANNUAL REPORT** 2018-2019

# PENING DORS SINCE 1994

### 25 years ago,

three highly respected educators were deeply committed to the belief that academically talented students of color from underserved communities deserved access to the kind of educational opportunities that could dramatically change the course of their lives.

The knowledge and experience we've gained over more than two and a half decades continues to inspire us and inform our strategic trajectory. Unique in its comprehensive approach and highly personalized, nimble model, **REACH**Prep has become a leader in the field of educational access. Today, we stand ready to chart an even more exciting, hopeful and promising path forward.

None of this would be possible without the ongoing generosity and commitment of our REACH Prep community. Together, we remain committed to serving future generations of extraordinary students.

### **CORE VALUES**

# ACCESS COMMITMENT IMPACT EXCELLENCE

REACH Prep's core values define us as a community striving to empower young Scholars through education.

Programs offered by REACH Prep ensure that our students are engaged in meaningful opportunities to develop the skills and motivation that enable them to become leaders in their communities.

### Dear Friends,

It is our pleasure to share this year's annual report with you and our many supporters, donors and champions whose generosity helped make our 25th year a great success.

These last few months have challenged all of us in ways we never could have imagined. Now, as we continue to navigate this historic public health crisis, we are adjusting our daily routines in large and small ways. Even before the full impact of COVID-19 is fully understood, we have already witnessed that the toll on communities of color has been especially deep and extensive.

REACH Prep Scholars and their families have found themselves needing to quickly adapt to new challenges and demands of online learning, while simultaneously coping with the stress of seeing family members and loved ones continue to work despite the risks and potential consequences. We want to acknowledge this fact not only out of gratitude for the sacrifices so many families have made over the past several months, but also because it offers a unique window into the types of families and students who make REACH Prep such a vibrant, effective agent of change.

REACH Prep's mission is as relevant today as it was in 1994 and, while our programming has evolved to meet the changing needs of our Scholars, we remain committed to helping them realize their academic potential and emerge as inspiring future leaders as they move through their 12-year journey with us.

As we embark on our 26th year, we wish to also extend our deepest thanks to our Board of Directors whose dedication and leadership remain invaluable. On behalf of everyone at REACH Prep, thank you for your support and continued partnership. Together we will continue impacting the lives of today's Scholars and those of tomorrow.

With deepest gratitude,

Keith D. Grossman

Chair of the Board of Directors

Gina Lucas

Chief Executive Officer

### JOSE G.

Cohort 21 Rye Country Day School '22

Jose lives in New Rochelle with his three younger brothers, and his mom and dad who are originally from Guatemala and Mexico. Even as a fourth grader, when we first met Jose, he was mature, respectful, compassionate, curious and always trying to be the best student and teammate he could possibly be.

For three consecutive summers, Jose has attended camp through REACH Prep's partnership with the John Austin Cheley Foundation. With this opportunity, Jose has been able to attend Sanborn Western Camps in Colorado. Over the years, we have seen his independence, confidence and leadership skills grow. This is in large part due to stepping outside of his comfort zone and challenging himself to embrace new experiences through REACH Prep and at camp.

"

Through REACH Prep I have gained access to countless opportunities I never would have experienced such as fencing, community service events and summer camp, in addition to consistent support from mentors who are genuinely interested in seeing me succeed both academically and socially.

### "

REACH Prep has been by my side for so many years helping me find and create my own opportunities. Having REACH Prep counselors to support me in my educational journey all these years, encouraging me to seek out that which excites me and brings me joy has drastically shaped who I am today. Without having REACH Prep on my side, I wouldn't have taken nearly as many chances, in fear of not having the necessary support needed to succeed.

## THE REACH PREP 12-YEAR CONTINUUM

Since its founding in 1994, REACH Prep has directed its targeted efforts to help high-achieving Black and Latinx students prepare for success in, and graduate from, top-tier colleges and universities. Our model of rigorous preparation, individualized support and close academic monitoring helps students develop their academic, personal and early professional potential. A student's REACH Prep journey, with all of its comprehensive components, is a proven way to combat the statistics of historically underrepresented students gaining access to and thriving in independent school and college. High expectations, leadership and giving back are key elements of what REACH Prep expects from its students through their 12-year experience.

### 44

Why have I stayed with REACH Prep for all these years? Because of the students, 100%. **REACH Prep students** are bright, responsible and want to excel. They want challenge and they want to be creative. It is that type of academic excellence that makes it easy to walk into a classroom on a Saturday after a long work week. When you see children that want to learn and challenge you to be an excellent teacher, it's invigorating.

### THE SERENBETZ FAMILY FOUNDATION

**Supporter since 2001** 

The Serenbetz Family Foundation was established in 1997 by Warren and Thelma Serenbetz, and is now run by a Board of Trustees made up of their children and grandchildren. Honoring the belief that success comes from educational achievement in a supportive environment, the Foundation seeks to enrich the lives of children and young adults by supporting organizations that offer opportunities for educational and personal growth.

The Serenbetz Family Foundation has been a dedicated supporter of REACH Prep since 2001, and has provided REACH Prep with nearly \$1.2 million of funding over the course of their twenty-year partnership with us. Involvement and volunteering being a key priority for the Foundation, REACH Prep has been lucky to have the dedicated involvement of two of their Trustees, Jean Serenbetz as a former Director on our Board and now Skyler Serenbetz on our Junior Council.

"

Since the Serenbetz
Family Foundation
began supporting
REACH in 2001,
it has been
rewarding to grow
in partnership
with the programs
at REACH Prep that
align so well with
our own mission.

On November 1, 2019, **REACH Prep celebrated its 25th Anniversary Gala** at Abigail Kirsch at The Loading Dock in Stamford, CT. **Over 300 guests** enjoyed a live auction with Robbie Gordy from Christie's New York, along with speeches from Alumni and Scholars. The evening's featured speaker, Carlos Brito, CEO of AB InBev, shared his personal story, which resonated with REACH Prep's work and larger mission, and was an inspiration to all.

The evening raised over \$900,000 in new charitable donations that will impact not only today's Scholars, but also those who will follow in their footsteps in years to come.

On October 24, 2018, REACH Prep held its **second annual NYC-based fundraiser,** *An Evening of Inspiration*. Featured speakers included REACH Prep Scholar, Emily Peña, Alumni, Vanessa Rios and Darren Douglas, and current parent, Vicky Peña, all of whom shared **the powerful impact REACH Prep has had on their lives** and the lives of their families. While REACH Prep started in Greenwich, CT, the organization has long served families in the Bronx as well as Westchester and Fairfield Counties.
