NONPROFIT PARTNER

We're excited to announce that REACH Prep has been selected for a chance to receive a grant from the Target Circle Community Giving Program!

Target's Community Giving Program provides Target Circle members with the opportunity to cast votes that direct Target's charitable giving funds to local nonprofits.

Target will donate funds to selected nonprofits based on the number of votes they receive from Target Circle members. The more votes a selected nonprofit receives, the greater the amount of funds they will receive at the end of the voting period.

Help support REACH Prep's mission by voting for us between April 1 and June 30, 2025.

Here's how to participate:

Enroll in Target Circle: There are three easy ways to sign up for Target Circle.

1. Sign up at target.com/circle
2. Create an account in the Target app
3. Provide a phone number at checkout

Earn votes: Target Circle members earn one vote each time an eligible purchase is made.

1. *In Stores:* At checkout, enter your account phone number on the keypad or scan your 'Wallet' barcode in the Target app. Or scan your receipt's barcode with the Target app within seven days of purchase.
2. *Online:* Sign into your Target account before placing an order.

Cast your vote: Log in to your Target account at target.com/circle and go to Community Support. Or on the mobile app, go to your Circle benefits, then click 'Vote for nonprofits'. Featured nonprofits will display in a list with each organization's name, logo, description, and website link. *REACH Prep will be featured when you select a Target store in Southern Connecticut.*

Cast your vote for REACH Prep!
