## Dear Friends,

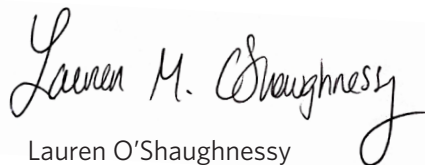

The last year was full of celebrations and milestones at REACH Prep. In September, we moved into a new office in Stamford at 484 Pacific Street after a decade at One Dock Street. We couldn't be happier to collaborate, meet, and teach our 250 scholars across all stages of our 12-year continuum in the new office and classroom spaces .

In October, we celebrated our 30th Anniversary Gala at the Belle Haven Club in Greenwich. The evening was spectacular—bringing together supporters, parents, alums, former Board members, staff, and partner schools—to commemorate our work empowering leaders since 1994 .

REACH Prep's role in creating equitable access to education has never been more significant or timely. Our programs ensure that REACH Prep Scholars have meaningful opportunities to develop the skills that will allow them to strive for success, graduate from top competitive colleges, and ultimately become engaged leaders positioned to make a significant difference in their communities.

**None of this would be possible without the ongoing generosity and dedication of our REACH Prep community.** We thank the Board of Directors for their guidance and leadership, the Associate Board for their stewardship, and the REACH Prep staff for their deep commitment to our scholars. Thank you to the donors and partners who champion our work as leaders in educational access. **Together, we can continue to change lives for generations to come.**

With gratitude,

Lauren O'Shaughnessy

## SUSIE WILLIAMS

Mother of Alex P., Cohort 25

"REACH Prep has been a lifeline for Alex and me. It has provided so many opportunities for him that I could never have imagined or afforded. Every summer since sixth grade, Alex has been on a college campus for at least two weeks at no cost to me. I encourage everyone with fourth graders to apply because I know firsthand what the REACH Prep organization has done for Alex. REACH has provided educational, emotional, and financial support for my child, not to mention the step-by-step guidance through the college process that has been invaluable to Alex's transition into higher education. My experience with Reach Prep is that there is always a listening ear, a hand reaching out, and a pool of knowledge to tap into."

## ALEX P.

Cohort 25

The Masters School '26

Attending MIT beginning fall 2026

"I was elated to find out that I was admitted to my dream school, MIT, after working hard for years toward that goal. REACH Prep gave me the necessary foundation to start my academic journey successfully. The biggest piece of advice that I would give to a REACH Prep Scholar at the beginning of their journey is to persevere. This experience starts off really challenging, but if you push through the learning curve, you'll realize that the hardest parts are where you learn the most."

# Reach Prep 30 for 30

**W**e had a successful and celebratory 30th anniversary year and are grateful to the generous supporters who participated in our special anniversary year gift initiative, the 30 for 30 Campaign.

These funders gave \$30,000 or more in honor of REACH Prep's three decades of empowering leaders. We're honored to recognize the 30 for 30 Campaign supporters who made their gifts to commemorate this milestone and showed their dedication to our mission as we continue our commitment to transforming lives through education.

"REACH Prep is uniquely beneficial in that it challenges students from a young age. It teaches them the value of hard work and the importance of a supportive community. As students we learn that dedication can help us achieve our goals. REACH Prep has taught me how to advocate for myself, look for resources and find opportunities for myself. It long ago instilled confidence that I still carry with me. As a young kid, being selected for this competitive program made me feel capable, worthy, and deserving."

# REACH Prep in Action

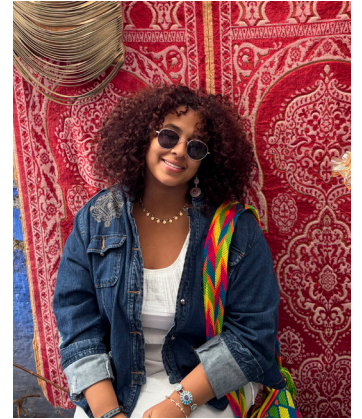

Throughout the year, REACH Prep provides a variety of in-person and virtual programming for our scholars and their families. This includes robust Prep Academy classes, workshops for middle and high school students and parents, school visits, college and internship support, and alumni engagement opportunities.

**We've Moved!**

REACH Prep moved into a new office in September 2024, and this new home base in Stamford has been the perfect location for us to continue working with 250 students and their families. Before moving in, we had a great team that helped us make renovations to ensure the space was best suited for our needs. We're grateful to all the partners who supported us during this process, including Akin, CBRE, Rings End, The Ashforth Company, and Urban Flooring Systems. If you haven't visited us at 484 Pacific Street yet, we hope to see you soon!
